List of abbreviations	xxv

CHAPTER 1

INTRODUCTION TO LIFE INSURANCE MODULE

1.1 Risk of death.....	2
1.2 Potential financial impact of death	5
1.2.1 Loss of income	5
1.2.2 Loss of caregiver.....	5
1.2.3 Debt repayment.....	6
1.2.4 Income taxes	6
1.2.5 Estate creation	6
1.2.5.1 Education funds	7
1.2.5.2 Legacies	7
1.2.5.3 Charitable giving	7
1.2.6 Business impacts	8
1.3 Risk management strategies.....	8
1.3.1 Risk avoidance.....	8
1.3.2 Risk reduction	9
1.3.3 Risk retention	9
1.3.4 Risk transfer	9

CHAPTER 2

TERM LIFE INSURANCE

2.1 What “term” means	12
2.1.1 Typical terms.....	12
2.1.2 Age limits.....	12
2.2 Policyholder vs. life/lives insured	12
2.2.1 Single life.....	13
2.2.2 Joint first-to-die.....	13
2.2.3 Joint last-to-die.....	15

2.3	Death benefit.....	15
2.3.1	Level term	16
2.3.2	Decreasing term.....	16
2.3.3	Increasing term	17
2.4	Term insurance premiums	18
2.4.1	How premiums are set	18
2.4.1.1	Mortality costs.....	18
2.4.1.2	Expenses	19
2.4.2	Sample premiums	19
2.5	Renewable vs. non-renewable term insurance	20
2.5.1	Renewal provisions	21
2.5.1.1	Renewable with guaranteed rates	21
2.5.1.2	Re-entry term with adjustable rates	22
2.6	Convertible term insurance	22
2.6.1	Incontestability and suicide provisions	23
2.6.2	Attained-age vs. original-age conversions.....	24
2.7	Advantages and disadvantages of term life insurance.....	25
2.8	Using term insurance	25
2.8.1	Short-term risks.....	26
2.8.2	Decreasing risks.....	26
2.8.3	Limited cash flow.....	27

CHAPTER 3

WHOLE LIFE AND TERM-100 INSURANCE

3.1	Concept of permanent insurance.....	29
3.1.1	How permanent insurance differs from term insurance.....	29
3.1.2	Types of permanent insurance.....	30
3.1.2.1	Whole life	31
3.1.2.2	Term-100 (T-100)	31
3.1.2.3	Universal life (UL)	31
3.2	Overview of whole life insurance.....	31
3.2.1	Coverage term	31

3.2.2	Policy reserve.....	31
3.2.3	How premiums are set	32
3.2.3.1	Mortality costs.....	32
3.2.3.2	Expenses.....	32
3.2.3.3	Investment returns	33
3.2.3.4	Impact of modal factor	33
3.2.4	Premium options	34
3.2.4.1	Ongoing premiums	34
3.2.4.2	Single premium.....	34
3.2.4.3	Limited payment	35
3.2.5	Death benefit options	35
3.2.5.1	Guaranteed whole life.....	35
3.2.5.2	Adjustable whole life	35
3.3	Non-participating vs. participating whole life policies	36
3.3.1	How shortfalls or surpluses occur	36
3.3.2	Non-participating policies	36
3.3.3	Participating policies	37
3.3.3.1	Identifying the difference.....	37
3.4	Dividend payment options for participating policies	37
3.4.1	Cash.....	38
3.4.2	Premium reduction	38
3.4.3	Accumulation.....	38
3.4.3.1	Investment options.....	38
3.4.3.2	Upon death	39
3.4.4	Paid-up additions (PUA).....	39
3.4.5	Term insurance	39
3.4.6	Impact on death benefits and cash values	39
3.4.6.1	Dividend illustrations.....	40
3.5	Non-forfeiture benefits	40
3.5.1	Cash surrender value (CSV)	40
3.5.1.1	Surrender charges	41
3.5.1.2	Policy loans.....	41
3.5.2	Automatic premium loans (APL).....	42
3.5.3	Reduced paid-up insurance	42
3.5.4	Extended term insurance	43

3.6	Limited payment whole life.....	43
3.7	Premium offset policies.....	44
3.7.1	Illustrations and disclosure.....	45
3.8	Advantages and disadvantages of whole life insurance.....	46
3.9	Comparing term and whole life insurance.....	47
3.10	Using whole life insurance.....	48
3.10.1	Taxes upon death.....	48
3.10.2	Future insurability.....	49
3.10.3	Increasing coverage.....	49
3.11	Term-100 (T-100) life insurance.....	50
3.11.1	Duration of coverage.....	50
3.11.2	Premiums.....	50
3.11.2.1	Level cost of insurance (LCOI).....	51
3.11.2.2	Limited payment T-100.....	51
3.11.3	Death benefit.....	51
3.11.4	Upon age 100.....	52
3.11.5	Availability from insurers.....	52
3.11.6	Using Term-100.....	52

CHAPTER 4

UNIVERSAL LIFE INSURANCE

4.1	Transparency through unbundling.....	54
4.1.1	Premium tax.....	55
4.1.2	Mortality charges.....	56
4.1.3	Administrative expenses.....	56
4.1.4	Investment income.....	56
4.2	Flexibility for the policyholder.....	56
4.2.1	Timing and amount of premiums.....	57
4.2.1.1	Insufficient account value.....	57
4.2.1.2	Modal factors for UL policies.....	58
4.2.2	Face amount.....	58
4.2.3	Life/lives insured.....	59

4.3	Pricing the insurance component.....	60
4.3.1	Net amount at risk (NAAR).....	60
4.3.2	Yearly renewable term (YRT).....	61
4.3.3	Level cost of insurance (LCOI).....	61
4.3.4	Choosing between yearly renewable term (YRT) and level cost of insurance (LCOI) costing.....	62
4.3.5	Guaranteed vs. adjustable mortality deductions.....	63
4.3.5.1	Open-ended or restricted increases.....	63
4.4	Death benefit options.....	63
4.4.1	Level death benefit.....	64
4.4.2	Level death benefit plus account value.....	65
4.4.3	Level death benefit plus cumulative premiums.....	66
4.4.4	Indexed death benefit.....	67
4.5	Investment components.....	68
4.5.1	Net premiums.....	68
4.5.1.1	Exemption test.....	68
4.5.2	Tax deferral.....	68
4.5.3	Investment choices.....	69
4.5.3.1	Daily interest accounts.....	69
4.5.3.2	Guaranteed investment accounts.....	69
4.5.3.3	Index fund investments.....	69
4.5.3.4	Mutual fund investments.....	70
4.5.4	Impact of investment returns on policy viability.....	70
4.5.4.1	Policy illustrations.....	70
4.6	Accumulating fund.....	71
4.6.1	Surrendering the policy.....	71
4.6.2	Policy withdrawals (partial surrender).....	72
4.6.3	Premium offsets.....	73
4.6.4	Policy loans.....	73
4.6.5	Collateral for third-party loans.....	74
4.6.6	Leveraging.....	75
4.6.7	Distribution upon death.....	76

4.7	Advantages and disadvantages of universal life (UL) insurance.....	76
4.8	Comparing universal life (UL) and whole life.....	77
4.9	Using universal life (UL) insurance	78
4.9.1	Maxed out registered retirement savings plan (RRSP) and tax-free savings plan (TFSA).....	78
4.9.2	Tax-free retirement income	78

CHAPTER 5

RIDERS AND SUPPLEMENTARY BENEFITS

5.1	Riders that provide additional benefits upon death	80
5.1.1	Paid-up additions (PUA) rider.....	80
5.1.2	Term insurance riders	81
5.1.2.1	On a term policy.....	82
5.1.2.2	On a permanent policy.....	82
5.1.2.3	Family coverage rider	82
5.1.2.4	Child coverage rider.....	83
5.1.2.5	Converting child or family coverage riders	84
5.1.3	Accidental death (AD) rider	84
5.1.4	Guaranteed insurability benefit (GIB) rider	85
5.2	Supplementary benefits (benefits in addition to the death benefit)	86
5.2.1	Accelerated death benefits.....	86
5.2.1.1	Terminal illness (TI) benefit.....	87
5.2.1.2	Dread disease (DD) benefit (a.k.a. critical illness or CI benefit).....	88
5.2.2	Accidental dismemberment benefit	88
5.2.3	Waiver of premium for total disability benefit.....	90
5.2.3.1	Waiting period.....	90
5.2.3.2	Renewable or convertible term policies	90
5.2.4	Parent/payor waiver benefit.....	90
5.3	Using riders and supplementary benefits to customize coverage	91
5.3.1	Cost of coverage	91
5.3.2	Value of coverage	91
5.3.2.1	Limitations.....	92
5.3.2.2	Exclusions.....	92

5.3.3 Differences between companies	92
5.4 Advantages and disadvantages of riders and supplementary benefits	93

CHAPTER 6

GROUP LIFE INSURANCE

6.1 How group life insurance works	95
6.1.1 What constitutes a group.....	95
6.1.2 Policyholder.....	96
6.1.3 Master contract	96
6.1.4 Group membership	96
6.1.4.1 Actively-at-work requirement	97
6.1.4.2 Membership classes	97
6.1.5 Premiums.....	97
6.1.5.1 Tax treatment for employer.....	98
6.1.5.2 Tax treatment for employee.....	98
6.1.5.3 Sales tax on premiums	98
6.2 Group term insurance coverage.....	99
6.2.1 Schedule of benefits.....	99
6.2.1.1 Earnings multiple	99
6.2.1.2 Flat rate.....	100
6.2.1.3 Length of service	100
6.2.1.4 Combination.....	100
6.2.2 Coverage maximums	100
6.2.3 Reductions for older or retired group members.....	101
6.2.4 Optional additional coverage.....	101
6.2.4.1 Term coverage.....	102
6.2.4.2 Permanent coverage.....	102
6.3 Dependant life coverage	102
6.3.1 Definition of dependant	103
6.3.2 Death benefit amount.....	103
6.3.3 Premiums.....	104
6.4 Survivor income benefits.....	104
6.4.1 Beneficiaries.....	104

6.4.2	Benefit amount	104
6.5	Accidental death and dismemberment (AD&D).....	105
6.5.1	Basic vs. voluntary AD&D	105
6.5.1.1	Coverage for dependants	105
6.5.2	Exclusions	106
6.5.3	Overall limits.....	106
6.6	Conversion privileges.....	106
6.6.1	In Québec.....	107
6.6.1.1	Leaving the plan	107
6.6.1.2	Master contract terminates	108
6.6.2	In the rest of Canada.....	108
6.6.3	Premiums upon conversion.....	108
6.7	Replacement contracts	109
6.7.1	Benefit amounts	109
6.8	Disabled members	109
6.9	Group creditor insurance	109
6.9.1	Death benefit.....	110
6.9.2	Beneficiary	110
6.9.3	Premiums.....	110
6.9.4	Additional coverage.....	111
6.9.4.1	Disability	111
6.9.4.2	Critical illness.....	111
6.9.4.3	Unemployment.....	111
6.10	Group life insurance vs. individual life insurance	112
6.11	Advantages and disadvantages of group life insurance.....	113

CHAPTER 7

TAXATION OF LIFE INSURANCE AND TAX STRATEGIES

7.1	Key concepts	115
7.1.1	Tax-free death benefit	115
7.1.2	Policy dispositions.....	116

7.1.3	Policy gains	117
7.1.4	Adjusted cost basis (ACB).....	117
7.1.4.1	Last acquired date	117
7.1.4.2	Policies last acquired after December 1, 1982.....	118
7.1.4.3	Policies last acquired prior to December 2, 1982.....	119
7.2	Taxation of policy dividends	120
7.3	Taxation of a full surrender	120
7.3.1	Policy gain calculation	120
7.4	Taxation of a partial surrender	121
7.4.1	Reducing coverage	121
7.4.2	Policy withdrawals	122
7.5	Taxation of policy loans	123
7.5.1	Repaying a policy loan	123
7.5.2	Policy loan interest	124
7.6	Taxation of exempt vs. non-exempt policies	124
7.6.1	Purpose of exempt test - insurance or investment?	125
7.6.2	Maximum Tax Actuarial Reserve (MTAR) rule	125
7.6.2.1	20-Pay endowment at age 85	125
7.6.3	Maximum Tax Actuarial Reserve (MTAR) remedies	126
7.6.3.1	Increasing the face amount.....	127
7.6.3.2	Withdrawing premiums	127
7.6.3.3	Side funds.....	127
7.6.4	Anti-dump-in rule	127
7.6.4.1	Applying the 250% rule	128
7.6.4.2	Implications for minimum-funded policies	128
7.6.5	If a policy becomes non-exempt.....	128
7.6.5.1	Deemed disposition	129
7.6.5.2	Annual accrual rules	129
7.7	Tax implications of replacing an existing policy.....	129
7.7.1	Deemed disposition.....	129
7.7.2	Tax advantages of older policies	129
7.8	Absolute assignments.....	130

7.8.1	General rule	130
7.8.2	To a non-arm's length party	130
7.8.3	Assigning a policy to a spouse	131
7.8.3.1	Opting out of the spousal rollover	132
7.8.3.2	Income attribution rules.....	132
7.8.4	Assigning a policy to a child	133
7.8.4.1	Defining "child"	134
7.8.4.2	Direct transfers only	134
7.8.4.3	Education funding or other intergenerational transfers	134
7.9	Death of the policyholder	135
7.9.1	Rollover to spouse	136
7.9.2	Contingent policyholder.....	136
7.9.2.1	Rollover to a child	136
7.10	Taxation of life insurance strategies.....	137
7.10.1	Using the policy as collateral.....	137
7.10.1.1	Borrowing for business use.....	137
7.10.1.2	Deducting premiums	137
7.10.2	Annuitizing the cash surrender value (CSV).....	138
7.10.2.1	If the policyholder is disabled.....	139
7.10.2.2	Partial surrender	139
7.10.3	Leveraging a life insurance policy	139
7.10.3.1	Collateralizing the cash surrender value (CSV)	139
7.10.3.2	Interest paid or capitalized	140
7.10.4	Charitable giving	140
7.10.4.1	Charitable donations tax credit	140
7.10.4.2	Assigning a new insurance policy to a charity.....	142
7.10.4.3	Assigning an existing insurance policy to a charity	142
7.10.4.4	Naming a charity as the beneficiary	144
7.10.5	Managing taxes upon death	144

CHAPTER 8

BUSINESS LIFE INSURANCE

8.1	Potential impacts of death on a business.....	146
8.1.1	Loss of skills.....	146

8.1.2	Creditor demands.....	147
8.1.3	Family member interference.....	148
8.1.4	Equality for family members.....	148
8.1.5	Capital gains tax.....	149
8.2	Business types.....	149
8.2.1	Sole proprietorship.....	149
8.2.2	Partnerships.....	150
8.2.3	Corporations.....	150
8.2.3.1	Public vs. private corporations.....	151
8.2.3.2	Capital gains exemption.....	151
8.3	“Key person” life insurance.....	152
8.3.1	Split-dollar arrangements.....	152
8.3.1.1	Taxation of key person split-dollar arrangements.....	153
8.3.2	As a requirement for borrowing.....	153
8.4	Buy-sell agreements.....	153
8.4.1	Cross-purchase agreements.....	154
8.4.2	Why buy-sell agreements are important.....	155
8.4.2.1	Guaranteed buyer.....	155
8.4.2.2	Guaranteed value.....	155
8.4.2.3	Mandatory sale.....	155
8.4.2.4	Guaranteed funding through life insurance.....	156
8.4.3	Criss-cross insurance.....	156
8.4.4	Business-owned insurance.....	158
8.4.4.1	Role of the capital dividend account (CDA).....	158
8.4.4.2	Funding cross-purchase buy-sell agreements.....	159
8.4.4.3	Funding share-redemption buy-sell agreements.....	160

CHAPTER 9

APPLICATION AND UNDERWRITING

9.1	Process overview.....	162
9.1.1	Agent’s role.....	162
9.1.2	Completing the application.....	162
9.1.3	Underwriting.....	163
9.1.4	Issuing and delivering the policy.....	163

9.2	Application	163
9.2.1	Policy details	164
9.2.1.1	Applicant/policyholder	164
9.2.1.2	Life insured	164
9.2.1.3	Beneficiary	164
9.2.1.4	Type of policy	165
9.2.1.5	Riders and supplementary benefits	165
9.2.1.6	Premium options	165
9.2.1.7	Dividend options	165
9.2.2	About the applicant	165
9.2.2.1	Financial ability	166
9.2.2.2	Insurable interest	166
9.2.2.3	Justification of amount of coverage	167
9.2.2.4	Insurance application history	168
9.2.3	About the life insured	168
9.2.3.1	Personal information	168
9.2.3.2	Medical information	169
9.2.4	Incomplete or erroneous information	170
9.2.4.1	Mistake	170
9.2.4.2	Fraudulent misrepresentation	171
9.2.4.3	Incomplete information	171
9.2.5	Agent's comments	172
9.3	Temporary insurance agreement (TIA)	172
9.3.1	Requirements for coverage	172
9.3.2	Coverage limits	173
9.3.3	Coverage duration	173
9.3.4	Agent's responsibilities	173
9.4	Underwriting by the insurance company	174
9.4.1	Underwriting guidelines	174
9.4.2	Attending physician's statement (APS)	175
9.4.3	Medical exam	175
9.4.4	Medical Information Bureau (MIB)	175
9.4.5	Motor vehicle record (MVR)	177
9.4.6	Inspection report	177

9.4.7	Requests for clarification or more information	178
9.4.8	Financial underwriting.....	178
9.4.9	People who are not Canadian citizens.....	178
9.4.9.1	Permanent residents.....	178
9.4.9.2	Awaiting permanent residency.....	179
9.4.9.3	International students	179
9.4.10	Frequent travellers.....	179
9.4.11	Avocations	180
9.5	Risk classes and their impact on premiums	180
9.5.1	Standard.....	180
9.5.2	Preferred.....	181
9.5.3	Rated	181
9.5.4	Exclusions	181
9.5.5	Upgrading risk class	181
9.5.6	Declined.....	182
9.6	Client factors that may affect premiums	182
9.6.1	Age	182
9.6.1.1	Attained age.....	183
9.6.2	Gender.....	183
9.6.3	Health status or risk class.....	184
9.6.4	Hazardous occupation	185
9.6.5	Hazardous lifestyle	185
9.7	Company factors that may affect premiums	185
9.7.1	Mortality costs.....	185
9.7.2	Administration costs and expenses	185
9.7.3	Investment returns.....	186
9.8	Reinsurance	186
9.9	Issuing the policy.....	186
9.9.1	Delivery.....	186
9.10	Acceptance	187
9.11	Group life insurance.....	188
9.11.1	Basic group life insurance.....	188

9.11.2	Additional coverage	188
9.11.3	Creditor life insurance.....	188
9.11.3.1	Post-claim underwriting	189

CHAPTER 10

ASSESSING THE CLIENT’S SITUATION

10.1	Assess the family dynamics	191
10.1.1	Current spouse	192
10.1.1.1	Dependent vs. self-sufficient.....	192
10.1.2	Support obligations to ex-spouse(s)	192
10.1.2.1	Court-ordered insurance	193
10.1.3	Minor children	193
10.1.3.1	Current care arrangements.....	193
10.1.3.2	Child support to ex-spouse	194
10.1.3.3	Court-ordered insurance	194
10.1.4	Other dependents.....	194
10.1.4.1	Disabled family members	194
10.1.4.2	Aging parents.....	195
10.2	Assess the employment situation.....	195
10.2.1	Employee.....	195
10.2.1.1	Current income	195
10.2.1.2	Future income potential	196
10.2.1.3	Job stability	196
10.2.1.4	Group benefits	196
10.2.2	Business owner	197
10.2.2.1	Sole proprietorship.....	197
10.2.2.2	Corporation.....	198
10.2.2.3	Partnership	198
10.2.2.4	Existing buy-sell agreement.....	199
10.2.2.5	Business income stability and amounts	199
10.2.3	Retirement	200
10.2.3.1	Time to retirement.....	200
10.2.3.2	Retirement income sources	200

10.3	Assess current financial situation	201
10.3.1	Assets.....	201
10.3.1.1	Liquid assets.....	201
10.3.1.2	Fixed assets.....	202
10.3.1.3	Investment assets.....	202
10.3.1.4	Pension entitlements	203
10.3.1.5	Case study summary of assets.....	203
10.3.2	Debts	204
10.3.2.1	Mortgage.....	205
10.3.2.2	Credit cards and lines of credit	205
10.3.2.3	Other loans	205
10.3.2.4	Case study summary of liabilities.....	206
10.3.3	Tax liability upon death.....	206
10.3.4	Current expenses	207
10.3.5	Available cash flow	208
10.4	Assess existing insurance.....	208
10.4.1	Individual insurance	209
10.4.2	Business insurance.....	210
10.4.2.1	Relationship to buy-sell agreement.....	211
10.4.2.2	Type of policy.....	211
10.4.2.3	Ownership of policy and payment of premiums	211
10.4.3	Group insurance	211
10.4.3.1	Face amount.....	212
10.4.3.2	Policyholder and conditions of membership.....	212
10.4.3.3	End date and convertibility.....	212
10.4.3.4	Vulnerabilities	213
10.4.4	Government benefits	214
10.4.4.1	Canada Pension Plan (CPP) survivor benefits	214
10.4.4.2	Québec Pension Plan benefits (QPP).....	215
10.4.4.3	Old Age Security (OAS) allowance for surviving spouse	216
10.4.4.4	Workers' Compensation benefits	216

10.5	Identify client’s priorities in the event of death.....	217
10.5.1	Family lifestyle	217
10.5.2	Final expenses	218
10.5.3	Plans for future	218
10.6	Next steps	219

CHAPTER 11

RECOMMENDING AN INSURANCE POLICY

11.1	Evaluate the probability, severity and duration of risks	221
11.1.1	Probability of death	221
11.1.1.1	Current age and gender.....	222
11.1.1.2	Personal and family health history	223
11.1.1.3	Lifestyle risks	224
11.1.2	Financial impacts of death	224
11.1.3	Duration of risk	225
11.1.4	Other risks	225
11.1.4.1	Risk of illness or disability	226
11.1.4.2	Risk of unemployment	226
11.2	Insurance needs analysis – Income replacement approach	226
11.2.1	Capitalization of lost income	227
11.2.2	Impact of investment returns, inflation and income tax	227
11.2.2.1	Accounting for income taxes.....	227
11.2.2.2	Accounting for inflation	228
11.2.2.3	Accounting for income taxes and inflation simultaneously.....	229
11.2.3	Weaknesses of the income replacement approach	229
11.3	Insurance needs analysis – Capital needs approach	230
11.3.1	Income earned by survivors.....	230
11.3.2	Ongoing expenses.....	230
11.3.3	Income shortfall	232
11.3.3.1	Capitalization of income shortfall	232
11.3.4	Capital needs analysis.....	233
11.3.4.1	Final expenses.....	233
11.3.4.2	Tax liabilities	234

11.3.4.3	Debt elimination	234
11.3.4.4	Estate expenses	235
11.3.4.5	Emergency fund.....	235
11.3.4.6	Education fund.....	236
11.3.4.7	Estate equalization	236
11.3.4.8	Charitable bequests and legacies.....	236
11.3.4.9	Total capital needs.....	237
11.3.4.10	Assets available upon death	237
11.3.4.11	Existing insurance.....	239
11.3.4.12	Shortfall	239
11.4	Bringing it all together	240
11.4.1	Duration of risk	240
11.4.2	Investment needs	241
11.4.3	Cash flow vs. premiums.....	241
11.4.4	Coverage for spouse or dependents	242
11.5	Making the recommendation	242
11.5.1	Type of coverage	242
11.5.2	Death benefits	243
11.5.3	Premiums	244
11.5.4	Beneficiaries	249
11.5.4.1	Primary and contingent.....	249
11.5.4.2	Revocable or irrevocable	250
11.5.4.3	Probate implications	251
11.5.5	Highlighting important clauses	251
11.5.5.1	Exclusions.....	251
11.5.5.2	Incontestability	252
11.5.5.3	Grace period.....	252
11.5.5.4	Reinstatement.....	252
11.5.5.5	Right of rescission	253
11.5.5.6	Expiry.....	253
11.5.5.7	Surrender charges	253
11.6	Using illustrations	253

CHAPTER 12

ONGOING SERVICE

12.1	Monitoring changing client needs.....	256
12.1.1	New dependants.....	256
12.1.2	Marriage	257
12.1.3	Divorce	257
12.1.4	Employment changes	257
12.1.5	New mortgage	258
12.1.6	Acquiring a business.....	258
12.1.7	Leaving Canada	258
12.1.8	Updated needs analysis and recommendations	258
12.2	Amending a policy	259
12.2.1	Administrative changes.....	259
12.2.2	Changes requiring underwriting	259
12.3	Renewing a policy	260
12.4	Replacing a policy	260
12.4.1	Churning and twisting	261
12.4.2	Disclosure requirements	261
12.4.3	Cancelling the contract being replaced.....	263
12.5	Cancelling a policy	263
12.6	Surrendering a policy	264
12.7	Policy assignments	264
12.7.1	Absolute policy assignment	264
12.7.2	Partial policy assignment.....	265
12.8	Claims process.....	265
12.8.1	Agent’s role.....	265
12.8.2	Completed claim form.....	266
12.8.3	Policy status	266
12.8.4	Proof of death	266
12.8.5	Letters probate	266
12.8.6	Attending physician’s statement (APS).....	267

12.8.7	Proof of age and gender	267
12.8.8	Confirmation of beneficiary	267
12.9	Group life insurance claims	268
12.10	Factors that could vary the payment upon death.....	268
12.10.1	Participating whole life policies	268
12.10.2	Adjustable whole life policies	268
12.10.3	Universal life policies.....	268
12.10.4	Misstatement of age.....	269
12.10.5	Misstatement of gender.....	270
12.10.6	Policy assigned as collateral	270
12.10.7	Outstanding policy loan.....	271
12.10.8	Unpaid premiums	271
12.11	Settlement options.....	272
12.12	Time requirements	272
12.13	Tax treatment of death benefits.....	272
	CONCLUSION	273
	BIBLIOGRAPHY	274

LIST OF DIAGRAMS, DOCUMENTS AND TABLES

CHAPTER 1

Table 1.1	Probability of death and life expectancy vs. age	4
-----------	--	---

CHAPTER 2

Diagram 2.1	Death benefit for level, decreasing or increasing term insurance	16
Table 2.1	Sample annual premiums, \$100,000 term life insurance, male non-smoker	19
Diagram 2.2	Annual term insurance premiums based on term and age of issue	20
Table 2.2	Advantages and disadvantages of term life insurance.....	25

CHAPTER 3

Diagram 3.1	Comparing 10-year renewable term and whole life premiums for coverage of \$250,000	30
Table 3.1	Sample modal factors	33
Table 3.2	Advantages and disadvantages of whole life insurance	46
Table 3.3	Term life insurance vs. whole life insurance	47

CHAPTER 4

Diagram 4.1	Flow of money through a universal life (UL) policy	55
Table 4.1	Cost of insurance (COI) per \$1,000 using yearly renewable term (YRT) vs. level cost of insurance (LCOI) costing.....	62
Diagram 4.2	Level death benefit option.....	64
Diagram 4.3	Level death benefit plus account value.....	65
Diagram 4.4	Death benefit plus cumulative premiums	66
Diagram 4.5	Indexed death benefit	67
Table 4.2	Advantages and disadvantages of universal life (UL) insurance	76
Table 4.3	Whole life insurance vs. universal life (UL) insurance.....	77

CHAPTER 5

Table 5.1	Sample accidental death and dismemberment (AD&D) Schedule of loss ...	89
Table 5.2	Advantages and disadvantages of riders and supplementary benefits	93

CHAPTER 6

Table 6.1	Group life insurance vs. individual life insurance	112
Table 6.2	Advantages and disadvantages of group life insurance.....	113

CHAPTER 7

Table 7.1	Factors affecting a policy's adjusted cost basis (ACB)	119
Diagram 7.1	Maximum Tax Actuarial Reserve (MTAR)	126

CHAPTER 8

Diagram 9.1	Impact of age at issue on premiums	183
Diagram 9.2	Impact of gender on premiums	184
Diagram 9.3	Impact of health class on premiums	184

CHAPTER 10

Table 10.1	Summary of assets of Derek and Becky's family	204
Table 10.2	Summary of debts of Derek and Becky's family	206
Table 10.3	Summary of CPP and QPP survivor benefits in 2014.....	215

CHAPTER 11

Table 11.1	Risk assessment matrix.....	221
Table 11.2	Odds of dying for males and females	222

CHAPTER 12

Document 12.1	Standard Life Insurance Replacement Declaration (LIRD)	262
